Dear Jay:

Thank you very much for bringing your mortgage and real estate workshop to the employees of the City of Delray Beach for the second time yesterday. The response was very positive again. Given the reality of our economy and the fact that our staff has not had raises for several years, the attendees were thankful to have reliable information to use to make some difficult decisions.

And we appreciate the generosity of Bloom and Freeling, Attorneys at Law, who provided the delicious lunch for our staff to enjoy during the presentation.

Jay, we look forward to working with you again in the future. Thank you again for bringing such a timely seminar to our staff.

Sincerely,
